Flights will be determined by availability and in the best interest of the puppy (i.e., fewest stops, shortest travel time, etc.) Health Guarantee: Sellers warranties that the puppy to be free of communicable diseases, in good health, and of stable temperament having been well socialized.

Puppy will have received it's first set of vaccinations, and been dewormed at least twice. It will also have been given a full vet examination before being delivered to buyer. Buyer has 48 hours to have the puppy/dog examined by a licensed veterinarian for general health from date of delivery: \_\_\_\_\_ (excluding weekends &/or holidays). Failure to do so will result in any and all warranties being cancelled other than genetic defects. Seller accepts no liability for any communicable diseases after 48 hours from when the puppy/dog leaves the possession of the breeder.

If puppy/dog does not pass a general health exam, buyer agrees to notify breeder within 48 hours and provide a copy of the original signed licensed veterinary statement of health. Minor problems such as diarrhea, coccidiosis, etc. are common problems in puppies especially under stress of new circumstances, and will not be covered by this warranty although every effort is made to prevent this. Buyer acknowledges that Sellers are not responsible for buyer's veterinary expenses at any time or under any circumstance.

Seller also warranties this puppy free from genetic defects (hip dysplasia, deafness, serious eye defect, heart murmurs, liver shunts) that would prevent the puppy from being a companion animal, until the puppy reaches one year of age. Seller does not cover for luxating patellas as this is prevalent in various teacup and toy sized breeds. If this puppy is found to have a genetic defect of this kind, this must be verified by a licensed certified veterinarian. In the case of a hereditary hip deformity, a copy of written notification must come to the breeder from Orthopedic Foundation for Animals (OFA). In case of a genetic eye deformity, written notification must come to the Breeder from a Board Certified Veterinary Ophthalmologist. Due to the varying kinds of dog food on the market and the different environmental conditions the dogs come in contact with, we will not guarantee the dog unless they're given NuVet Plus daily at the manufacturer's suggested dosage for \_1\_ year (length of contract). Failure to do so makes this guarantee null and void. If a "genetic disorder" is found and the puppy has been routinely given NuVet Plus daily, sellers will then replace the puppy with one of the same sex and coat color from the first available litter (puppy to be determined by the breeder/seller). The

puppy/dog shall be returned to the seller at the Buyer's expense, If buyer wants to keep the puppy, it must be neutered or spayed at buyer's expense and they will be able to purchase another puppy, of their choice, from the sellers and will be given a price discount of an amount equal to 50% of the purchase price of the original puppy.

Purchase agreement: Puppy is warranted only for the purpose of being a pet/companion animal. Although it could be capable/suitable of performing other functions, such as show or breeding quality, no warranty is being given that purpose. If used for breeding, the sellers ask that the buyers do so responsibly, and recommend that males must be at least one year of age before used for breeding and females at least one year of age and had at least one prior heat cycle before being bred. Breeder cannot guarantee adult size or conformation of the puppy/dog. Buyer hereby releases breeder and agrees to hold harmless for any liability, injuries or damages to persons or property caused by this puppy/dog. Buyer shall assume full responsibility for the health, temperament, and appearance of the puppy/dog upon when the puppy/dog leaves the premise of the breeder. Also, the buyer must follow the regular vaccine, deworming, and heartworm schedule for the first year of the puppy's/dog's life. Failure to do so causes this contract to become null and void. Puppy/dog will be up to date on all vaccinations and dewormings when it leaves premise of breeder, and those records will be provided to buyer.

Third Party Sales: A third party sale of above puppy/dog will constitute this contract and its guarantees NULL and VOID.

This contract is only valid while Blue Horizon Tiny Aussies/Michelle Ringwald, the Breeder is breeding said dogs. Should Breeder cease breeding said dogs, for any reason, this contract will become null and void.
